

BROOKFIELD INSIDER

E-Newsletter for the Month of SEPTEMBER & OCTOBER 2025

“A teacher affects eternity; he can never tell where his influence stops.” – Henry Adams

The months of **September and October** brought with them moments of reflection, resilience, and celebration. As we paid tribute to our mentors on **Teachers’ Day**, we were reminded of the unwavering dedication and compassion that shape young minds and futures every single day. Their silent yet powerful influence continues to inspire generations to dream and to do.

September also witnessed the devastating floods in Punjab, which reminded us of the unpredictable power of nature and the strength of human solidarity. In the face of adversity, communities stood together, proving that empathy and unity are our greatest resources in times of crisis.

With the arrival of October, the air filled with the spirit of festivity—Dussehra, Diwali, and other celebrations illuminated our hearts with hope and togetherness. As the lights of the festive season glow, may they also light our way toward compassion, learning, and gratitude.

At **Brookfield International School**, we continue to nurture these very values—knowledge, kindness, and community—believing that true education extends beyond the classroom.
